6 <NEW SUBSECTION. 5. a. In the case of an  
7 application to construct a nuclear generating facility,  
8 the county electorate in the county within which  
9 the facility is proposed to be located has approved  
10 construction of the facility as provided in this  
11 subsection. The board of supervisors, upon receipt of  
12 a valid petition meeting the requirements of section  
13 331.306, shall direct the commissioner of elections  
14 to submit to the registered voters of the county a  
15 proposition to approve or disapprove the construction  
16 of a nuclear generating facility in the county. The  
17 proposition shall be submitted at an election held on a  
18 date specified in section 39.2, subsection 4, paragraph  
19 "a". To be submitted at a general election, the  
20 petition must be received by the board of supervisors  
21 at least five working days before the last day for  
22 candidates for county offices to file nomination  
23 papers for the general election pursuant to section  
24 44.4. If a majority of the county voters voting on  
25 the proposition favor construction of such a facility,  
26 and all other applicable requirements are met, a  
27 certificate shall be issued. If a majority of the  
28 county voters voting on the proposition do not favor  
29 construction, a certificate shall not be issued.  
30 b. After a referendum has been held which defeated  
31 a proposal to construct a nuclear generating facility  
32 as provided in this subsection, another referendum on a  
33 proposal to construct such a facility shall not be held  
34 for at least eight years.>
